

# DHEKELIA SAILING CLUB NEWSLETTER

## SAILING SECRETARY REPORT . . .

Saturday Sailing has now been moved forward to 1000 to allow members to have a go in the L2Ks in lighter winds, and also for our promising youngsters to practise.

On **Sunday 14<sup>th</sup> Oct** there will be the Relay race for the Griffiths Cup where two teams of 4 people race in double handed boats. Do come and join in!

The last weekend of October and first weekend in November are Sail Training weekends, where most of the Bosuns and Picos will be used. Sailing is still allowed, but there won't be any racing on Sundays.

## SAILING TRIVIA

### Windfall...

Some English landowners were prevented from felling trees for timber as this was reserved for building ships for the Royal Navy. However, this did not apply to trees that were blown down. Hence, a windfall became a financial blessing.

### Landlocked...

Only thirty nations in the world are landlocked. Of the remaining nations Canada leads the way with over 56,453 miles of Coastline. The next closest is Indonesia with 33,987 miles.

### Aloof...

From the old Dutch word "loef" meaning windward. Said of a vessel amongst a fleet of ships that sails higher into the wind and so draws apart from the fleet. Thus aloof has come to mean "one who stands apart"
