 - iii Check transport to EPI with Mike Lewis when in Cyprus S.Sec
5. **Bosun Report**
 - i possibility of storing foils properly in boat shed and not using covers for Picos. Bosun
 - ii Same for Laser One's.
6. **Principal Report**
 - i Order for Junior Training Manuals RC
7. **Boatswain Report**
 - i Moved L2K's to new location, also Laser One's
 - ii Inventory almost complete and Index to be done soon. Bosun
 - iii Need to get rid of old wood in boat shed. Bosun
8. **SBO Report**
 - i State of rescue boats OK
 - ii DK7 new Hour meter fitted but needs new decals for kill cord and replace RYA decals. Alan
 - iii Alan G. to look after SBO maintenance whilst Fred away. Alan
Although Fred contactable by email.
 - iv Fred created CD PDF file for boat maintenance schedule.

9. Fleet Capt. Report

i Hobie Cat repair to front spar not viable. Also not saleable because of Duty Free status.

10. AOB

i Power winch for recovering rescue boats discussed but found to be not viable for financial and safety reasons.

ii Possible spend money on quality boat covers and leave rescue boats on hard standing. RC

iii Suggestion that we have hand operated winches on new trolleys to help recover rescue boats. Trolleys would need proper rollers. RC

iv Trolley wheels desperately needed for Laser and Bosuns. Laser in UK can supply at approx half Cyprus costs. To investigate. RC

v Dhekelia Sea Swim have asked for help in providing marker buoys for this event on 31st May. Agreed. Bosun

vi Proposed Trysail for 7th June to be publicised. S.Sec

Next meeting set for Wednesday 25th June 2008 at 2.00 pm [To be re-scheduled]
